We'll cover a *New Forest Landowner's "To-Do" List* that dicusses important first steps for a new forest landowner, such as:

- ✓ Learning about your forest,
- ✓ Defining your ownership goals,
- ✓ Evaluating forest health,
- ✓ Understanding financial considerations, *and*
- ✓ Beginning the process of developing a management plan.

These workshops will help you locate natural resource professionals to help build your support network and make informed management decisions.

Workshops are **FREE** to attend *and* include lunch.
